

Welcome to the 2020-2021 school year at Covenant Preschool and Childcare. We are happy to see the children return and are excited for a new year full of fun and learning.

Due to COVID-19, we have been following guidance from the CDC, state, and local health officials, abiding by requirements as mandated with extreme care to maintain a healthy school environment. We have enhanced our already rigorous hygiene, cleaning, and sanitation protocols and have implemented the following strategies to help ensure our staff children, and families stay safe and healthy:

- Staff and children are screened upon arrival for symptoms, with temperatures taken.
- Wellness checks are conducted throughout the day to ensure that staff can respond accordingly.
- All school parents will drop-off and pick up children at the preschool entrance door.
- Teachers will wear face coverings throughout the day.
- Children are required to use a washable type bag, plastic zip-lock or backpack, for the items brought to school.
- Drinks brought to school should be disposable after use, such as Capri-Sun, bottle water, or juice box.
- Teachers will remain in their classroom throughout the day.
- Classes will not combine during the day.
- Additional staff will assist teachers in cleaning and disinfecting toys used throughout the day.

- Children, ages 2 and up, have been provided with play mats that will allow teachers to social distance them in classroom during inside play.
- Toys, manipulatives, and other learning tools have been separated into individual containers for each child.
- Color coded containers dedicated to each child have been placed in classrooms for the individual use of classroom and personal items

Although these are challenging times, we will do our best to provide the most “normal type” learning environment at Covenant Preschool and Childcare. We will continue to search for the most effective methods that will help keep everyone healthy and be in the best interest of the children, staff, and their families.

Feel free to contact our office with any questions at 699-6315.

Trusting Christ and Looking Forward to a Wonderful New School Year!

Sandi Scott
